[Verse 1:]

Her body was wooo
By the way that she walked in
Honey looked just like a sin
I was mezmorized when she walked by
Now wat I'm gon' do
Cause I gotta keep my cool
And I ain't that type of guy
That steps to every girl that catches my eye

[Hook:]

Belly shirt pierced navel in them heels
From your walk and your gestures,
What's the deal?
So baby come over here
What's your name
Girl tell me everything you like
Lil mamma don't have no fear
Don't be scured
Cause you know I ain't gonna bite

[Chorus:]

Baby it's okay
If you wanna rock
Lil mamma show me what you got
And I wanna say hey!
Cause I'm feeling you
Baby can you make your body move
And I gotta say ohh lady
Girl I wanna get to know yah
Run up right up on yah
Ohh baby
You got me fired up and girl I wanna say hey

[Verse 2:]

You can call me sometime
We can get up you and me
Let me tell you what I'm gonna do to make you mine
I'm gonna get it started
Right on time
Don't need no corny pick up lines
I'm a whisper in your ear

And tell you everything that you wanna hear(yeeae)

[Hook:]

Out spoken
Got me open
Gimmie chills
Have a little conversation
I'm consemplating how she feels
So baby come over here
What's your name
Girl tell me everything you like
Lil mamma don't have no fear
Don't be scured
Baby girl tell me what's the deal

[Chorus:]

Baby it's okay
If you wanna rock
Lil mamma show me what you got
And I wanna say hey!
Cause I'm feeling you
Baby can you make your body move
And I gotta say ohh lady
Girl I wanna get to know yah
Run up right up on yah
Ohh baby you got me fired up
And girl I wanna say hey

Ohh yous a bad girl
