And my chain so heavy, and my neck be whining .
Can't see you, all I see is my shades.

I make her cum like clockwork.
What you call that? Perfect timing.

They call me Hercules.
Just like a slave, she working me.
Know she off that Bonnie, when she smoking and got them purple leaves.
7-Eleven head, no hands when she slurping me.
Then she swallowed my sword, like a circus freak.
