

## Chris Brown "First Day Of Spring"

Visit "[First Day Of Spring](#)" on MotoLyrics.com

Man, I Got Lucky  
Look What (What) I've Stumbled Upon  
The Woman That Sees Me (Me) For Me  
Not What I've Done  
You Give Me This (This) Feeling Willing  
To Give You My Time  
Girl You Make Me Feel Like Everything's Alright  
You're Sorta Like  
Hearing The Birds Chirping In The Morning Light  
Or Maybe Even Receiving A Kiss Goodnight  
Girl You Got Me Believing We Just Might  
End Up Bein More Than Jus Two Friends

When We're Together It Feels Ideal  
The Sunny Weather Puts A Smile Right On My Face  
So Why Would I Ever Turn My Back On What We Have  
Oh Girl  
You Always Bring That First Day Of Spring

We Kept Things Friendly (Friendly)

Without Crossing That Boundary  
Darling, I'm Expressing  
Are You Listening?  
You Give Me That (That) Feeling Willing  
To Give You My Time  
Girl You Make Me Feel Like Everything's Alright  
You're Sorta Like  
Hearing The Birds Chirping In The Morning Light  
Or Maybe Even Receiving A Kiss Goodnight  
Girl, You Got Me Believing We Just Might  
End Up Bein More Than Jus Two Friends

When We're Together It Feels Ideal  
The Sunny Weather Puts A Smile Right On My Face  
So Why Would I Ever Turn My Back On What We Had  
Oh Girl  
You Always Bring That First Day Of Spring
