For The Fame by Chris Brown

She ain't in it for the fame for the fame  
She ain't in it for the fame for the fame  
She ain't in it for the fame for the fame  
She ain't in it for the fame for the fame  
There is no intro type she already know  
Come and spend the night with me and tell me what  
you are in to  
Can I take you home wake up in the morning  
My side of the bed net minute I am gone  
You smell too I probably smell if I was you  
Always keep it real with me and I am gonna keep it real  
with you  
Her friends like how you are gonna handle him  
Always in front of the camera

She ain't in it for the fame for the fame  
She said he ain't in it for the fame for the fame  
She ain't in it for the fame for the fame

[Refrain]

I ain't in it for the fame  
I ain't trying to pull the game  
I am down for you  
I don't need your money no  
I ain't in it for the show  
I love you I said  
I ain't in it for the fame

What you are here for in case you are down for show  
Let me know fly you up anywhere you wanna go  
Stay tonight new ice flashing light I can change your  
life  
She don't really wanna none only try to holla  
She gonna be my love my love  
Being on magazine movie screen she ain't never seen

She ain't in it for the fame for the fame  
She said he ain't in it for the fame for the fame  
She ain't in it for the fame for the fame

[Refrain]

I gotta be honest with you  
I got a thing for you  
I'll do everything I promised  
So what you wanna do  
Boy I want you  
I know you want me why don't you put it on me  
Cause you like what you are seeing

Hands up stick up the crowd  
I want it and you shout it out  
Young money in the house show them what the .. about  
Candle girls .. quit chicks never .they are all good as  
long as

She ain't in it for the fame for the fame  
She said he ain't in it for the fame for the fame  
She ain't in it for the fame for the fame

[Refrain]

She ain't in it for the fame for the fame  
She ain't in it for the fame for the fame  
She ain't in it for the fame for the fame
