Heyyyy

Foreverrr

Heyyyy

Foreverrr

[Seph Verse 1]

Escaped out the stu

Beat resonates the bones in you

Moves like americas best dance crew

Jabbawockeez evolu of hip hop all upon me

Best part of me has to rock

Careless no one rolls on the block

Rhythm and blues in my soul won't stop

Words ignite raves

Relative speeches Morpheus gave

Matrix Reloaded barriers broken

Sound lifts you if only a moment

Surf the waves of the ocean

Focus body's taken a wayward motion

Good girl lost in a love potion

Ecstasy ya groove perplexed me

See forever in blest memory

[Chris Brown Verse 2]

It's you

And me

Moving at the speed of light

Into eternity

Tonight

Is the night

To join me in the middle of ecstasy

Feel the melody and the rhythm of the music around

you, around you

Imma take you there

Imma take you there

So don't be scared

I'm right here baby

We can go anywhere, go anywhere

But first, it's your chance

Take my hand come with me

[Forever Remix feat Britney Spears Lyrics On ]

[Chorus]

It's like I waited my whole life  
For this one night  
It's gonna be me, you, and the dance floor  
Cause we only got one night  
Double your pleasure  
Double your fun  
And dance forever ever ever  
Forever ever ever (x6)  
Forever on the dance floor

[Chris Brown Verse 3]

Sounds like we're on another level  
Feels like our love's intertwined  
We can be two rebels  
Breakin the rules  
Me and you, you and I  
All you gotta do is watch me  
Look what I can do with my feet  
Baby, feel the beat inside  
I'm driving you take the front seat  
I just need you to trust me (girl, girl, girl)

[Chorus]

It's like I waited my whole life  
For this one night  
It's gonna be me, you, and the dance floor  
Cause we only got one night  
Double your pleasure  
Double your fun  
Dance forever ever ever  
Forever ever ever (x6)  
Forever on the dance floor

[Chris Brown Bridge]

It's a long way now  
So high off the ground  
Sending for an angel  
Bring me your heart  
Girl where did you come from  
Got me so undone  
Gaze in your eyes got me saying "What a beautiful lady!"  
No ifs, and, or maybes  
I'm releasing my heart  
It's feeling amazing  
No one else that matters  
You love me  
And I won't let you fall girl, let you fall girl  
Oh, oh, yea, yea

I won't let you fall, let you fall, let you fall  
Oh, oh, yeah, yeah, yeah, yeah,

[Seph Bridge]  
Won't ever let you fall  
No girl not at all (x4)

Dancing in the street  
No one but you and me  
Can't you see eternity  
Take a risk take a chance  
Trust love take my hand  
Feels right the perfect night  
Stars bright no clouds in sight  
Say goodnight not quite it's like

[Chorus]  
I waited my whole life (whole life)  
For this one night (one night)  
It's gonna be me, you, and the dance floor (dance floor)  
Cause we only got one night  
Double your pleasure  
Double your fun  
Dance with me Cmon  
Forever ever ever (x6)  
Forever on the dance floor

Oooooohhhh (Fade Out)
