Get fresh baby, This is your song
Put your goo shoes, and your lipstick on
Get fresh baby , This is your song
You said you wanna freak
I'm gonna give you what you want

whole lot of sex, whole lot of liquor
whole lot of chicks, Not a lot of nickels
Not my party, its all about the b****es
Sexy model misses, a** like delicious
See, see my main chick she got that good S**t
head game vicious so i call her sidddd
Girl you better be careful
Bragging on a d-ck, Now your friends wanna a sample
F-ck a 69, its six nine six
I'll be the nine
both of yall the six
You go both ways get a load of this
Beat it so hard now you got to take a piss
then you, then you can't even walk in the morning
Go to work yawning, p****y still leakin like sauce
now your girlfriends on it
Ain't no fun if you don't share with the homeys

I'll make you run and tell your friends how
Freaky I'm iz.
i'll make your run and tell your friends how
freaky i'm iz
i'll make you run and tell your friends how
freaky i'm iz, (how) freaky i'm iz, (how) freaky i'm iz
Imma have you tellin all the buisness
About the way that I be givin you the buisness
i'll make you run and tell your friends how
freaky i'm iz, (how) freaky i'm iz, (how) freaky i'm iz

then my jeans come down, the shirts comin up
phone to the side, she feelin in her gutz
a** in the air, f*****g up your weave
Pulling on your hair baby, Let me hear you scream
This swipe game mean I make a b-tch cry
I'm licking from you lips to your tits to your thighs
throw you on yo side I'm working out kinks

you sweatin out the sheets, girl you f*****g with a
freak
she told you I am a beast, well She ain't never lied,
I could goon both of yall at the same time
Taking that p***y b***** this mine
throw that s*** back, put an arch in your spine

i never waste time, but i ain't in no rush
Hit it like a champ I beat the p*****y up
he give you love taps, i beat the p*****y up
got her tellin all her friends how the kid do his stuff

I'll make you run and tell your friends how
Freaky I'm iz.
i'll make your run and tell your friends how
freaky i'm iz
i'll make you run and tell your friends how
freaky i'm iz, (how) freaky i'm iz, (how) freaky i'm iz

About the way that I be givin you the buisness
i'll make you run and tell your friends how
freaky i'm iz, (how) freaky i'm iz, (how) freaky i'm iz
