(Feat. T-pain)

Ha ha, I get it down on the dance floor
Watch this, hey!
You don't even know girl, whoa ooh!
Come here

You know what I do, if you can do it too
Then that's just something that makes me more
attracted to you
And I, and I wanna see you break it down for me

Yes, we in this private
(Party)
Girl I like your body
(Body)
But can you tick, tick, tick, tick, tick, tick
Pop, lock and drop it?
'Cause I, and I wanna see you break it down for me
Watch this!

Girl, I've been waitin' all night to see you dance like me
You gon' sweat your outfit, out trying to dance like me
(Now let me see)
Ah ah ah, freeze! Like me, ooh
Shawty!

Girl, I want a battle, meet me downstairs
Bring your dancing shoes and something to tie you hair
'Cause I'm, 'cause I'm about to break it down on you

I see you with you friends, you don't wanna get
embarrassed
I know you see my bling, bling, check out the carats
'Cause I, I'm 'bout to break it down on you

Girl, I've been waitin' all night to see you dance like me
You gon' sweat your outfit, out trying to dance like me
(Now let me see)
Ah ah ah, freeze! Like me, ooh

Girl, let's get it poppin'

(Crackin')
Tell me how you feel
(Feel)
Let's get up on this floor
And do this thing for real
(Woo!)

'Cause we
(We)
You and me
(Me)
Can really break it down
(Together)

Watch me slide on ya
(On ya)
Watch me ride on ya
(On ya)
You ain't gotta say it
You think I'm fly, don't cha?

'Cause we
(We)
You and me
(Me)
Can really break it down
Ooh oh, ooh oh, ooh oh!

Girl, I've been waitin' all night to see you dance like me
You gon' sweat your outfit, out trying to dance like me
(Now let me see)
Ah ah ah, now freeze! Like me, ooh

Yeah, Lamborghini breezy
Orgafriti breezy, it's easy
Hey! I just want you to relax
And now my ladies pop, poppin', drop droppin'
1, 2, 3, 4, freeze! Ha!

Girl, I've been waitin' all night to see you dance like me
You gon' sweat your outfit, out trying to dance like me
(Now let me see)
Ah ah ah, freeze! Like me
