[Verse 1:]

Yeah, Girl itâ€™s late at night and Iâ€™m driving  
Over to your crib for some action  
And I just canâ€™t wait to put it down  
I just wanna work you out  
Pulling up in your driveway  
If you keep the door unlocked, Iâ€™m coming in girl  
A nigga going up the stairs into the bedroom  
A bubble bath rose petals on the floor  
We gon do it all night, we gon do it all night

[Hook:]

So baby can we play a lil game  
Girl your body on mine  
Up and down  
Just let me work for it, work for it baby  
Iâ€™m gon give you the bizness  
Girl you gon get when I start really using my tongue  
baby

[Chorus:]

Yeah girl  
Whenever Iâ€™m in your city  
You know Iâ€™ma blow bout fifty  
And Iâ€™ma fuck the city up  
Iâ€™ma give my love to you, you  
Iâ€™ma fuck the city up  
Iâ€™m coming over babe, over, over babe  
Iâ€™ma fuck the city up  
Iâ€™m hella paid, hella paid  
And Iâ€™ma fuck the city up

[Verse 2:]

Girl its 1 a.m.  
To me I know itâ€™s kinda early  
But letâ€™s take it in for the night babe  
But if you wanna bring your friend  
She can come, she can come  
(fuck it up x2)  
Just lemme lay you both on the bed  
Hands on the pillow  
Iâ€™ma go deep putting work in the middle  
Ass up, face down,  
Baby Iâ€™ma work it out  
The three of us holding hands,

Screaming a lil  
Both of yaâ€™™ ll can get it all  
Can get it all, can get it all, can get it all  
[Hook:]  
So baby can we play a lil game  
Girl your body on mine  
Up and down  
Just let me work for it, work for it baby  
lâ€™™ m gon give you the bizness  
Girl you gon get when I start really using my tongue  
baby  
[Chorus:]  
Yeah girl  
Whenever lâ€™™ m in your city  
You know lâ€™™ ma blow bout fifty  
And lâ€™™ ma fuck the city up  
lâ€™™ ma give my love to you, you  
lâ€™™ ma fuck the city up  
lâ€™™ m coming over babe, over, over babe  
lâ€™™ ma fuck the city up  
lâ€™™ m hella paid, hella paid  
And lâ€™™ ma fuck the city up  
[Bridge:]  
The night life up, I fuck the city up  
Ride this bitch all night  
Tell her giddy up  
Champagne with new dreams and new bucks  
My lights too bright, thank my jeweler  
This is the epiphany of jealousy  
When niggas expect you to strike out  
Like a felony  
Itâ€™™ s not my intention to lash out but you  
Telling a nigga that heâ€™™ d never be one of the  
The greatest  
Bitch you hating cuz a nigga made it  
When I was cutting records in my fucking basement  
A lil lil nigga couldnâ€™™ t get a placement  
But like a spaceship, lâ€™™ m outta here  
Not a fear  
You bring the uh and lâ€™™ ll buy the beer  
Looking at my chain itâ€™™ s like a chandelier  
But these diamonds here and these diamonds real  
[Hook:]  
So baby can we play a lil game  
Girl your body on mine  
Up and down  
Just let me work for it, work for it baby  
lâ€™™ m gon give you the bizness  
Girl you gon get when I start really using my tongue  
baby  
[Chorus:]

Yeah girl  
Whenever I'm in your city  
You know I'ma blow bout fifty  
And I'ma fuck the city up  
I'ma give my love to you, you  
I'ma fuck the city up  
I'm coming over babe, over, over babe  
I'ma fuck the city up  
I'm hella paid, hella paid  
And I'ma fuck the city up
