(feat. Lil Wayne)

Ladies and gentlemen (ladies and gentlemen)  
gentleman, gentleman, gentleman  
You are tune in to the very best....so beautiful....jazzy  
phizzle...Chris Brown, let's go

[Lil Wayne]

They say beauty is in the eye of the beholder,  
well I bet I couldn't look more bolder, hold her, as we  
dip into my solar,  
Call me Ford, baby I explore her.  
It's navigator you're the one like Lincoln,  
black Bentley, you'll look better in a pink one,  
she's smoking and I about steam one, let's get f\*\*\*ed  
and make love on Venus,  
Baby the ball is in your court like Serena's,  
Make me jump over that net between us,  
and let nothing get between us,  
we're too hot  
only sweat between us

[Chorus:]

Girl you're hot like fire  
{Gimme Whatcha Got}  
Coldest thing movin'  
{Gimme Whatcha Got}  
Heat up like summer  
{Gimme Whatcha Got}  
Girl you know what you're doing  
{Gimme Whatcha Got}  
you like 28s on a Hummer  
{Gimme Whatcha Got}  
'cause you're the #1 stunner  
{Gimme Whatcha Got}
