[Verse 1:]

If I gotta guess it I will  
I think it's 310-143-1437  
Baby if I press it then will I get to you?  
Let me know, what is your number girl?

Every minute is worth a dime of spending  
You can change my whole life if you fit it  
Odds are, one in a billion  
My heart, I bet on you if I just get your number

[Chorus:]

Girl if I put your number in my phone  
I hope that it's the right one  
Girl If I did then  
I'm goin in tonight hon  
It could mean a lot for me  
I think I done hit the lottery, baby yeah  
Think I hit the lottery, baby yeah

[Verse 2:]

Get on this investment cause if you bet on me  
Then we can go anywhere in love it's nothing  
If I leave a message I hope that it goes through  
Let me know, if I'm the one girl

Every minute is worth a dime of spending  
You can change my whole life if you fit it  
Odds are, one in a billion  
My heart, I bet on you if I just get your number

[Chorus:]

Girl if I put your number in my phone  
I hope that it's the right one  
Girl If I did then  
I'm goin in tonight hon  
It could mean a lot for me

I think I done hit the lottery, baby yeah  
Think I hit the lottery, baby yeah

Think I hit the lottery...

[Bridge:]

If you choose me (Girl I promise)  
If you choose (I'll be honest)  
If you choose me (Won't abuse it)  
If you choose me  
And if you choose me  
If you choose me  
And if you, if you choose me  
And if you choose (I'mma love you)

[Chorus:]

Girl if I put your number in my phone  
I hope that it's the right one  
Girl If I did then  
I'm goin in tonight hon  
It could mean a lot for me  
I think I done hit the lottery, baby yeah  
Think I hit the lottery, baby yeah

(Can I get your number?)

Girl let me get that number, I hit the jackpot girl  
Your like the lottery, your like the lottery yeah  
Girl let me get that number, I hit the jackpot girl  
Your like the lottery, your like the lottery yeah

Girl let me get that number, I hit the jackpot girl  
Your like the lottery, your like the lottery yeah  
Girl let me get that number, I hit the jackpot girl  
Your like the lottery, your like the lottery yeah
