Got a present ? and yellow diamonds is on my thang,  
yeah

BBS is what ? you know what we do, oh yeah, thinking  
that we shine

It starts to glitter, ? get up, it's such a glitter

He said it's nice to meet me, my chain is clear like Fiji X  
3

My diamonds shine in blue and red you think that shit is  
in 3d X 2

The way you wanna go she make ? Tahiti, don't share  
you with no others

Love the money plus I'm greedy,

And it's a piece of cake, I say cause I'm a pro

You little fake boys, it's like Pinocchio

But I'm in Tokyo, get in my side just from these whose

And you can hate but I'm just flying private only ?

Got a present ? and yellow diamonds is on my thang,  
yeah

BBS is what ? you know what we do, oh yeah, thinking  
that we shine

It starts to glitter, ? get up, it's such a glitter, it's such a  
glitter

Time is art yellow bishop look like immigrations  
Stacking money to the ceiling, I'ma need a renovation  
You are ? shorty, ? imitation

Man my next sign is so bright I feel like I'm on a  
vacation, man

So fuck you with your outlet, outfit, you can buy mine  
from ?

Looks like I'm playing like it is same out shit, silly  
niggers

Yellow diamonds, my neck frows, neck frows, chain  
heavy

I feel like my neck grows

Got a present ? and yellow diamonds is on my thang,

yeah  
BBS is what ? you know what we do, oh yeah, thinking  
that we shine  
It starts to glitter, ? get up, it's such a glitter
