I see you writin' on my wall, why you wanna do that (do that)

My name is tagged, you already see that (see that)
The media wanna paint it all black, and they do it right
in my face

See I can't sit back, and let it all wash away (wash away)

I worked too hard, for it to be erased
Before you talk, Imma finish what I gotta saayy

Cause already put in time, with all of my grindin', all of my grindin'

You know I grind
Through all of this struggle, all of this struggle
Even though the pain, I still gon' have to hustle
Man, I had to feed my family, and at the same time
keep my sanity
Oh no
Man I can't let you do it

Graffiti you tryna spray (spray)
Spray on me (me), graffiti you tryna spray (spray),
On my name (name)
Graffiti you tryna spray (spray), spray on me (me)
All the graffiti you tryna spray (spray),
On my name (name)
But it's already writtin on the wall

Can't cover it up, can't cover it up
But it's already written on the wall
Can't cover it up, can't cover it up

Who got award shows rockin everytime I hit the stage
(time I hit the stage)
Even the haters went and bought a CD
But now my fans I'm an empty spray can
And I just cant paint a thing

Seem like the less I have the money, the less I have the problems
The more I got the money, the more I got the problems

(hello)

Let me clear my throat, gotta make sure you hear me
go

Cause already put in time, with all of my grindin', all of
my grindin'

You know I grind

All of this struggle, all of this struggle

Even though the pain I still gon' have to hustle

Man I had to feed my family (ly), and at the same time
keep my sanity

Oh no

Man I can't let you do it

Graffiti you tryna spray (spray)

Spray on me (me), graffiti you tryna spray (spray),

On my name (name) (on my name, on my name, on my
name)

Graffiti you tryna spray (spray), spray on me (me)

All the graffiti you tryna spray (spray),

On my name(name)

Cause it's already writtin on the wall

Can't cover it up, can't cover it up

Cause it's already written on the wall

Can't cover it up, can't cover it up baby

Its already done ain't gonna paint no more

With all this pain that I've endured

I know, I was wrong for what I did

And I made some mistakes cause I'm human

I aint gon feed into the negative

Imma keep grindin, oh yeah

On this graffiti, oh, oh, oh

Cause already put in time, with all of my grindin', all of
my grindin'

You know I grind through

All of this struggle, all of this struggle

Even though the pain I still have to hustle

Man I had to feed my family, and at the same time

keep my sanity Oh no

Man I can't let you do it,

Graffiti you tryna spray (spray)

Spray on me (me), graffiti you tryna spray (spray),

On my name (name)

Graffiti you tryna spray (spray), spray on me (me)

All the graffiti you tryna spray (spray), on my day (day)

Can't cover it up, can't cover it up
Can't cover it up can't cover it up
