You look so good, I can't believe it  
I'm out my mind, I shouldn't be  
But oh, women like you steal my control  
Seen [Incomprehensible]  
Come on, girl, don't be scared now, baby

Help me, help me, help me  
I want you to help me, help me, help me  
I can't stop myself, you're actin? lovely  
I wanna have you screamin?, love you roughly

I need a little bit of help  
You bringin? your body down  
Whenever I take them out  
I end up takin? them down

Can you help me, help me, help me?  
Shoot me or somethin?  
Now help me, help me, help me  
Kill me or somethin'

Help me here, so alone good, I got a problem  
I'm out of my mind over your body  
But, oh, women like you steal my control  
Seen [Incomprehensible]  
Come on, girl, don't be scared now, baby

Help me, help me, help me  
I want you to help me, help me, help me  
I can't stop myself, you're actin? lovely  
I wanna have you screamin?, love you roughly

I need a little bit of help  
You bringin? your body down  
Whenever I take them out  
I end up takin? them down

Can you help me, help me, help me?  
Shoot me or somethin?  
Now help me, help me, help me  
Kill me or somethin'  
Won't you help me ?cause I can't leave it alone

I can't stop it 'cause every time I get it alone I gotta pop  
it  
It's like that I be feelin' too grown, I'm feenin'  
I be club hoppin', tryin' to get somethin' poppin'

And I when I get her alone I really know what I'm on  
And I ain't tryna be good so I'm gon' let you know  
It's like, whoa, I need help tryna get it this under control

Help me, help me, help me  
I want you to help me, help me, help me  
I can't stop myself, you're actin' lovely  
I wanna have you screamin', love you roughly

I need a little bit of help  
You bringin' your body down  
Whenever I take them out  
I end up takin' them down

Can you help me, help me, help me?  
Shoot me or somethin'  
Now help me, help me, help me  
Kill me or somethin'

Help me, help me, help me  
I want you to help me, help me, help me  
I can't stop myself, you're actin' lovely  
I wanna have you screamin', love you roughly

I need a little bit of help  
You bringin' your body down  
Whenever I take them out  
I end up takin' them down

Can you help me, help me, help me?  
Shoot me or somethin'  
Now help me, help me, help me  
Kill me or something  
I need
