How low can you go (8x)

How low can you go (chipmunk) (8x)

Hey shawty lil' mama come here are you tryna take a ride with me?

Twerk somethin' shake a lil' bit shake a lil' bit, bit for me,

Stop frontin',

You know you really want it so when I get up on you tho you gotta show,

How low can you go?

No need for them games and teasin',

Come 'bout them take ya secrets,

If I lick from ya neck down now to ya belly button girl will you lemme see it?

If I give it to ya will you throw it back?

Everytime I hit it hit it from the back,

I wanna pull ya hair but I know they tracks,

Nice and slow, one on one,

You on all fours, girl that's all I want,

So shake somethin somethin shake somethin somethin for me,

Shake somethin somethin shake somethin somethin for me

How low can you go (8x)

Go looow. I-I-lower than you know (3x)

Lower than you know. I-I-lower than you know

And you just drop it low

Nice and slow, one on one,
You on all fours, girl that's all I want,
So shake somethin somethin shake somethin somethin
for me,
Shake somethin somethin shake somethin somethin for

How low can you go (8x)
Go looow. I-I-lower than you know (3x)
Lower than you know. I-I-lower than you know

Eh- Eh-Excuse me, big booty judy
My doors go up on all my cars
So hop up in my tootsie
No your not a groupie
Go ahead and seduce me
Drop it low, bring it down
Girl lets make a movie
Breeeezy

How low can you go (8x)
Go looow. I-I-lower than you know (3x)
Lower than you know. I-I-lower than you know
