Where you been
Where you been all my life
Baby it's a sin
The way you look in that light
It's obvious
That I want something from you
And you know what
What I wanna do, do, do
(Chorus)
Every touch, it would bring me
to life
I can only imagine, only
imagine what it'd be like
Oh, everytime, it would bring
me to life
I can only imagine, only
imagine what it'd be like
What it'd be like, what it'd be
like,like,like
What it'd be
like,like,like,like,like...
Saw you from afar
Thought I'd say "what's up"
You can tell me your name,
where we're waking up
They call me, Tunechi, I'm good,
I'm gucci
Now you can kiss old dude
goodbye, smooches
You're a beast, you're a beauty
Man I think somebody done
gave cupid a ozzy,shoot me
You're a firework, brighter in
the dark
So let's turn off the lights
And give me that spark
(Chorus)
Every touch it would bring me
to life
I can only imagine, only
imagine what it'd be like
Oh, everytime, it would bring

me to life
I can only imagine, only
imagine what it'd be like
What it'd be like, what it'd be
like,like,like
What it'd be
like,like,like,like,like...
I want your love
Or touch please
Want you to feel free (It Would
Bring Me to Liiiiiiiiiiiiiiiiife)
She could kiss me
So I can finally be (girl)
So I can finally see (excuse me
now)
So I can finally see (excuse me
now)
