[Lil Wayne]

Go hey Lil Mama,
I can transform ya,
No I can't dance, but I can dance on ya,
Swizz on the beat, Chris move ya feet,
And baby I can transform your him to a me,
I can change your life, make it so new,
Make you never want to go back to the old you,
Ciroc and lime, give it a lil time,
And she can transform like Optimus Prime

[Chris Brown]

Need a ride,
I can range you up,
Money, I can change you up,
You can ride your own,
No longer be the passenger,
Swag low, I build you up,
Knees, we can stand you up,
Red lips, red dress, like 'em like a fire truck,

[Bridge]

What you need, you can have that,
My black card, they don't decline that,
See potential in ya, let me mold that,
I can transform ya, I can transform ya,

[Chorus]

I can transform ya, I can transform ya,
Anything ya want, I can (I can) get it for ya,
You're my baby girl,
Shoulda known I did it for ya,
I can trans, I can trans, I can transform ya,

Shoes - you got it (got it)

Bags - you got it (got it),
Cars - you got it (got it),
Money - still got it (got it),
I can transform ya, I can transform ya,
Anything you want I can (I can) get it for ya,

[Chris Brown]

See it in the video, you can have it really though,
Iced out everything, freeze you like an eskimo,
Wanna fly, we can go, anywhere you wanna go,
Jimmy Choos in Italy, Louis V in Tokyo,

Something like Pinnochio,
If you lie down, I'ma grow,
Wanna see me do it big,
I can show you how it goes,
Take you from an amateur to being professional,
I can have you swag surfing

[Bridge]

What you need, you can have that,
My black card, they don't decline that,
See potential in ya, let me mould that,
I can transform ya, I can transform ya,

[Chorus]

I can transform ya, I can transform ya,
Anything ya want, I can (I can) get it for ya,
You're my baby girl,
Shoulda known I did it for ya,
I can trans, I can trans, I can transform ya,

Shoes - you got it (got it)
Bags - you got it (got it),
Cars - you got it (got it),
Money - still got it (got it),
I can transform ya, I can transform ya,
Anything you want I can (I can) get it for ya,

[Lil Wayne]

Okey,
I can transform ya, like a transformer,
I can turn you from a human to a Carter,
Take you off the bench, t-turn ya to a starter,
Then I take you home and put you on a charger,

Then my car transforms to a charter,
And we can fly to wherever you ever thought of,
I take you to where its warmer,
Then i gotta rip off your dress like a warm up,
But I'm just getting warmed up,
So tell your man he better get his Voltron up,
I transform her to a Ducati,
And then I transform me to a Bugatti,
'Cause her form puts me in a trance,
I transform smaller and she puts me in her pants,
with Swizz on the Beat, Chris move ya feet,
And Weezy transform a good girl to a freak,

[Chorus]

I can transform ya, I can transform ya,
Anything ya want, I can (I can) get it for ya,
You're my baby girl,
Shoulda known I did it for ya,
I can trans, I can trans, I can transform ya,

Shoes - you got it (got it)
Bags - you got it (got it),
Cars - you got it (got it),
Money - still got it (got it),
I can transform ya, I can transform ya,
Anything you want I can (I can) get it for ya
