I cant forgive

From the moment that i so you  
I melted n fell in love with you  
But you need to understand  
That a guy needs some time  
To figure out  
What he's gonna do with a girl like you

Chorus

No I can't forgive the things that you do  
When you say to me that you love me to  
You see what I don't get  
Is how you say them things  
And go and do all those stupid things

You need to see that I  
I'm in love with you  
But I know  
That you'll realize the truth  
When I decide the right thing to do  
Is decide, to walk out on you

I can't give any more  
Of this heartache to you  
You know that if you change  
I will forgive you

If you listen to what I'm saying to you  
You will realize what I say is true

Chorus(twice)

No I cant forgive the things that you do  
When you say to me that you love me to  
You see what I don't really get  
Is how you say them things  
And go and do all those stupid things

You slept with another guy  
N I forgive u  
You said that I was a bore  
N I forgive you

You said that I was crazy  
N I forgive you  
You did it all again  
I'm getting rid of u  
Don't even try n call me on ma phone  
Cuz ill reject it  
Don't even go and try n text me  
Cuz ill delete it  
Its time for 2 change, N respect me  
I'm getting rid of you, and that's the end of it
