I do
I do
I do dat x3
AYE
Ayeeee x4

Up, high, down, low
I be anywhere you want
Not the one but slipping,
but I'm sliding in yo merry go
Round like the size of them wheels that's on a Chevy
though
A** so retarded, the homies calling you radio
I get it on the floor
When I beat I do my dougie doe
Gorilla, yes i am aka Mr. ma-Mighty Joe
Simon says do this & I say do that
I'm hoping out that whip.
while yo chick saying who that
It's the way I gotta be
It's not changing
H***, I girls in front of me???
but I'm choosing
If you think you can handle me,
then get in here now
& baby gimme what you ga-got
I'll show you all the goods & ill turn you out
Don't be acting like you don't want it now
Let me apologize cause imma wear you out
I get around, I get around (I do that)x3
I get, I get, I get, I get
I get around, I get around (I do that)x4

Verse 2:

Shawty so bad, got me like 'oooo'
Louis V. bag, Louis V. shoes
Shawty got class, aint no need for school
She got swagg, swagg, swagg like...
No photos, look at her frame
Bentley two those, switchin up lanes
Hit the airport we switchin up planes, planes, planes
like...

I get around, I get around (I do that)x3
I get, I get, I get, I get
I get around, I get around (I do that)x4

I get around, I get around (I do that)x3
I get, I get, I get, I get
I get around, I get around (I do that)x4
