"I Love U"

I don't know what it is, but I love you, I love you, I love you

I don't know what you do but I love you oooh baby

Baby, I don't know what it is but you drive me crazy.
Everytime I'm around you girl it feels amazing.
And I'm on my best behavior when I'm with my baby cuz
I can't lose my baby oooh

I done met a lot of girls in my life but they not like you
noooo!

I done been with the best and baby you the best of the
best you the greatest oooh!

I don't know what it is, but I love you, I love you, I love you

I don't know what you do but I love you, I love you, I love you

I don't know what it is, but I love you, I love you, I love you

I don't know what you do but I love you oooh baby

Lately when you're gone all I do is think about my baby
I'm so gone off your loving I don't know why
Maybe its the way you love me, hold me, kiss me cuz
baby I

I done met a lot of girls in my life but they not like you
noooo!

I done been with the best and baby you the best of the
best you the greatest oooh!

I don't know what it is, but I love you, I love you, I love you

I don't know what you do but I love you, I love you, I love you

I don't know what it is, but I love you, I love you, I love you

I don't know what you do but I love you oooh baby

Whatever it is I'm satisfied, I don't want you to ever
change
Cuz baby you got me, and that's no lie
I'ma stay right here with my baby and I don't know What!

I don't know what it is, but I love you, I love you, I love
you
I don't know what you do but I love you, I love you, I love
you
I don't know what it is, but I love you, I love you, I love
you
I don't know what you do but I love you ooooh baby
