(Chorus)

I don't know what is it but
I Love you (x3)
I don't know what you do but
I love you
Ooh baby

(Verse 1)

Baby I don't know what it is but you drive me crazy
And every time I'm around you girl it feels amazing
And I'm on my best behaviour when I'm with my
baby
Cause I can't lose my baby...

(Hook)

I done met a lot of girls in my life but they not like you
Nooooooooooooo
I done been with the best thing
Baby you're the best of the best
You're the greatest.

(Chorus)

I don't know what it is but
I love you(x3)
I don't know what you do but
I love you(x3)
I don't know what it is but
I love you(x3)
I don't know what you do but
I love you

Ooh Baby

(Verse 2)

Baby
When you're gone all I do is think about my baby
I'm so gone off your loving I don't know why
Maybe it's the way you love me, hold me, kiss me

Cause Baby I...

(Hook)

I done met a lot of girls in my life but they not like you
Noooooooooooo
I done been with the best thing
Baby you're the best of the best
You're the greatest.

(Chorus)

I don't know what it is but
I love you(x3)
I don't know what you do but
I love you(x3)
I don't know what it is but
I love you(x3)
I don't know what you do but
I love you
Ooh baby

(Bridge)

Whatever it is... I'm satisfied
I don't want you to ever change
Cause Baby you got me and that's no lie
I'ma stay right here with my baby and I don't know
why

(Chorus)

I don't know what it is but
I love you(x3)
I don't know what you do but
I love you(x3)
I don't know what it is but
I love you(x3)
I don't know what you do but
I love you

Ooh baby...
