I hope you know just how I feel,
Girl, I ain't running game
But there's a couple things I like, to try to explain,
You say you wanna wait a while,
Girl, I ain't mad at you,
In fact I like your style,
Cause it's more than just a physical attraction that I'm
feeling,
It's real,
Oh, and baby here's the deal:

I'll be right here,
Til the sun, and the moon, and the stars, they all refuse
to shine
I'll be right here,
I wanna be the thoughts that you think, whatever is on
your mind,
I'll be right here,
Girl, I wanna be apart of you, just like the air you
breathe,
And you can count on me

You don't have to be afraid to say whats on your mind,
Your body language's tellin' me, lets take our time,
You say you wanna wait a while,
Girl, I ain't mad at you,
In fact I like your style,
Cause it's more than just a physical attraction that I'm
feeling,
It's real,
Oh, and baby here's the deal

I'll be right here,
Til the sun, and the moon, and the stars, they all refuse
to shine,

I'll be right here,
I wanna be the thoughts that you think, whatever is on
your mind,
I'll be right here,
Girl, I wanna be apart of you, just like the air you
breathe,

And you can count on me

Dont you doubt my love,
(Your the only one) Your the only one I'm thinking of,
Yeah, yeah, yeah, yeah,
Baby,
Yeah, yeah, yeah, yeah,
Girl,
Yeah, yeah, yeah, yeah,
Ah, Oh no, Oh No no no no,
Ain't going no where
Baby, I'll be right here,
Aint going no where,
Baby,

I'll be right here,
Til the sun, and the moon, and the stars, they all refuse
to shine,
I'll be right here,
I wanna be the thoughts that you think, whatever is on
your mind,
I'll be right here,
Girl, I wanna be apart of you, just like the air you
breathe,
And you can count on me baby,
I'll be right here, I'll be right here,
I'll be right here,
I'll be right here,
I'll be right here
