I Was Crazy When I Said I Didn't Love You,
From The First Time That I Ever Saw You,
The Emotions Running Deep Underneath My Skin,
Sign Anywhere For Your Love, Where Do We Begin.

So Lay Me Down
Tell Me What I Wanna Hear
Take Me Down
There's Nobody Else I'd Rather Be With.

I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms.

OhhOhOh x4

If My Heart Is Outa Place Move Over,

I Coulda Told You How It Hurts, Coulda Told Ya.
& Now I Want You I Can Feel It In My Heartbeat,
It's Like A Race Like I'm Running In A Track Meet.

So Lay Me Down
Tell Me What I Wanna Hear
Take Me Down
There's Nobody Else I'd Rather Be With.

I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms,
I Wanna Wake Up In Your Arms.

OhhOhOh x4
