Chris Brown:

Hard day girl, I had you on my mind
And Iâ'm thinking about maybe later me and you can
spend some time
And you can help me spend my money,
Me and you can feel alive
And let's forget about the purpose, baby it's just you
and I

Chorus:

Let's get crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go
Let's go
Let's go
Let's go

Will.I.am

Dancing on a dance floor
Girl it's you I adore
Step off stage I'll scream for more
My native tongue, I love galore
Snap my fingers make you mine
If not I snap a second time
After that I guarantee, you will be standing next to me
My baby, baby, baby
You're sexy, drive me crazy
I feel like I been blazing
Puffin' purple hazing
Look girl this love is natural
Forever un-detachable
So, watcha waiting for?
Watcha waiting for?
Watcha waiting for?

Let's go

Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Let's go
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Let's go
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?

Chorus:
Let's get crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go-o-o-o
Crazy, alright
Come on let's go
Let's go
You gotta, you gotta, get, get crazy

Get, get, get it
You got it, you got it
Let's go
Let's go

Will.I.am:
Love you like my boom-box
You make me wanna moonwalk
No, this ain't no o-love
Lamborghini Countach
Mrs. Maserati hop inside my Bugatti
Girl Ima make you mine
Damn you fine, I want your body
I want, I want, I want ya
Love me then, why won't ya?
Girl this ain't no puppy love
A grown-man shit, no youngster
I would love to touch you
I ain't tryin' to rush ya, but
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Let's go
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Let's go

Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Let's go
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?
Watcha waiting for?

Chris Brown:
Let's get crazy, yeah
Let's get crazy, alright
Let's get crazy, you gotta know
Let's get crazy,
Let's go
You gotta, you gotta get, get, get crazy
Let's go
All day girl I had you on my mind
And I'm thinking about maybe later me and you can
spend some time
And you can help me spend my money,
Me and you can feel alive
And let's forget about the purpose, baby it's just you
and I
