Well it's that real shit, straight from the...  
Down for my niggas I really ride...  
Heard you nigga bought a yacht, well that's the...  
Take the roof off the motherfucker just to shut down  
the block  
Niggas stop, look at my pockets, they fill up with knots  
You mechanical, I will damage you, I'm something you  
not  
These bitches complimenting my tendencies  
Tattoos and nose rings  
This is how we ride on our enemies  
Hate, but you love it, out in public you got it  
My niggas got, no regards for the repercussions  
Don't let the... they see you people coming  
I see you balling, but I'm tryina teach you something  
No lie, yeah, it's the life of a young nigga  
No lie, yeah, it's the life of a young nigga  
No lie, yeah, it's the life of a young nigga

No more days... getting paid  
My paper straight, no more shade  
Hitting on a nigga, I stop and...  
Hit it up, mama won't even make minimum wage  
He get her on tv show at hollywood and l.a.  
I said wassup mama you doing it, looking like a bad  
bitch  
Talking... remember when you ain't had shit  
... everybody... bitches act like they like you  
Can I get in, warrup my nigga,  
Only wanna see these bitches so shut up my nigga  
No lie, yeah, it's the life of a young nigga  
No lie, yeah, it's the life of a young nigga  
No lie, yeah, it's the life of a young nigga
