What you lookin for baby  
I'm the one you want love in the middle of the night  
Don't be lookin all scary  
When you been lookin for this for a long long time  
Come on over here baby  
You can love me in the dark You can love me in the  
middle of the light  
Your friends lookin' all crazy cuz you comin home with  
me and they left behind  
They can come too baby  
What's yours is mine as long as they fine  
All di gyal dem cyan help it  
Tell them one at a time and they all ask why

[Chorus]

Mi love me, love me. Mi love me, love me, love me, love  
She lookin for the real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls

You can call me yo daddy  
I'll be your lover or whatever you like  
Lemmie look at it  
Dont you make me have to ask twice  
Cuz I'm up in yo city  
And I'm only in town for one more night  
You aint the only one here baby  
So many girls in line goin crazy outside  
Let's goooo

[Chorus]

Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls

(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)

Uh, Took the roof off the Ashton  
Pull the top off the Belvi  
We can do whatever you tell me  
You smell me?  
John V Cologne on yachts of in C???  
But when I'm home I'm Rambo,  
Sylvester Stallone  
And she know dat Picture us like Kodak  
Red vines, Red Wine  
Listen to Bobby Womack  
And it's a throwback  
Me and CB tell em to hold that  
And if you see a couple dimes  
Show em where the boat at

[Chorus]  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)  
Mi love me, love me. Mi love me, love me, love me, love  
me girls  
(She lookin for them real ones)
