### "Make Love"

(with Tyga)

#### *[Chris Brown - Verse 1]*

Lil mama what you doin ? wassup?  
Cause I aint gotta work this weekend  
Lets get up, up, up, up  
And I jus wanna dance and play a little bit  
And baby I'm the man and shawty you the shit  
Think about it we can do something nasty  
While I got my energy up all in the club  
With the lights down low  
And I got you  
Tipsy and youre all up on me pullin all my clothes  
I aint finished my drink but I want sum more  
Girl get your purse let me grab my coat  
Got my keys so now we can roll back to the crib

#### *[Chorus]*

I wanna make love to my baby  
Do it all day and we can do it all night long (shawty)  
Im gunna make love to my baby  
Have it your way but I like it with the lights on  
Imma make love to my baby  
Girl get on top of me and imma let you take it off  
Tonight is your night  
Baby So imma love you down

#### *[Tyga - Verse 2]*

All I think about when she not around  
If I get to see her I'm gonna take her down  
Pull your tights down throw em on the couch  
Like I say put it in your mouth  
Take your top off aint no body round  
Run around butt naked this my house  
All these thoughts on my mind I gotta get them out  
Tryin but I cant figure out  
Remember in high school I used to skip class just to sex  
you  
Homeroom was the only place I could call you  
Now its like every time I call never get thru  
That bullshit that we been through

Dam I miss you  
Its like you kick a nigga out  
Moved on to the next one  
I hope maybe we can work it out  
Dam I be wishin you was here right now

*[Chorus]*

I wanna make love to my baby  
Do it all day and we can do it all night long (shawty)  
Im gunna make love to my baby  
Have it you way but I like it with the lights on  
Imma make love to my baby  
Girl get on top of me and imma let you take it off  
Tonight is your night  
Baby So imma love you down

*[Chirs Brown - Verse 3]*

Kissin on your body layin on top me  
From the bed to the ground imma go down  
Doin my thing tell me when to stop  
Girl I wanna see what you all about  
Sweatin like a sauna  
Put that dick on ya all night  
While I got my energy up all the the club  
With the lights down low and I got you  
Tipsy and your all up on me pullin all my clothes  
I aint finished my drink but I want some more  
Girl get your purse lemme grab my coat  
Got my keys so now we can roll back to the crib

*[Chorus]*

I wanna make love to my baby  
Do it all day and we can do it all night long (shawty)  
Im gunna make love to my baby  
Have it you way but I like it with the lights on  
Imma make love to my baby  
Girl get on top of me and imma let you take it off  
Tonight is your night  
Baby So imma love you down
