So this right here
He saying he's your best friend
And he's always the one in your ear
I know that he been waiting to get my ass up out of
here
It's been a couple of months now
And baby I am that surprised
But I'm a real nigga
Girl, how you gonna take his side
And if I lick that spot then you won't act like that
I miss giving you them back shots girl you remember
that
Baby, and I'll be damned if I let him take my place
Don't listen to what that nigga say, cause
He's just saying you can do better
And baby all I'm saying is he sounds like a hater
And baby he can just fuck off and do us a favor
Mind your business, nigga stop being a hater

Here we go why these niggas keep hating for
It's that just the way it goes, o ho, it's just the way it
goes, o ho

Baby what the hell are you thinking?
By the way you're screaming at me thinking you been
drinking
I know that nigga's on your line
But he can't get what's mine, yeah
Baby you need to show me
What the hell I did wrong
I need you to hold me, right here in your arms
I'm kissing your heart, and all your little body parts
Baby, baby

Hope if I lick that spot, then you won't act like that
I miss giving you them back shots girl you remember
that
Baby, and I'll be damned if I let him take my place
Don't listen to what that nigga say, cause
He's just saying you can do better
And baby all I'm saying is he sounds like a hater

And baby he can just fuck off and do us a favor
Mind your business, nigga stop being a hater

Ok man, see it's a reason why she still with me
And she ain't with you, she see the real in me
And the bitch in you
Yeah she friends with you, but she sexing me
When she be texting you, she be next to me
Showing me how weak you is, it's embarrassing
I'm a real nigga so I guess you are a mannequin
Bad on the phone but in person you are panicking
I ain't even stressed, got a bag full of cannabis
I ain't with the bull so the same beef
You a weenie, I bet you be lying on your meat
If real recognize real who the fuck is you
She needs a principle, not a substitute

He's just saying you can do better
No he can't girl
Girl stop playing only if you let me
Be the one you need cause you're the one for me
I know how to please you right, yeah, whoa
He's just saying you can do better
Baby, cause baby, never...
Be the one you need cause you're the one for me
But I'm a real nigga, yeah, yeah, yeah.
