[Verse 1 - Chris Brown]

He's saying he's your best friend  
And he's always the one in your ear  
I know that he been waiting  
To get my ass up out of here  
It's been a couple months now  
Baby I am not suprised  
But I'm a real nigga  
Girl, how you gon take his side

[Hook]

I bet if I lick that spot then you won't act like that  
I miss giving you them backshots, girl you remember  
that  
Baby and I'd be damned if I let him take my place  
Don't listen to what that nigga say  
Cus' he's just saying you could do better  
And baby all I'm saying is he sound like a hater  
And baby he could just fuck off and do us a favor  
Mind your business, nigga stop being a hater

[Bridge - Seven]

Here we go, why these niggas keep hating for  
Guess that's just the way it goes  
Uh oh, that's the way it goes, Uh oh, Uh oh  
Uh oh, that's the way it goes

[Verse 2 - Chris Brown]

Baby what the hell are you thinking  
By the way you screamin' at me thinkin' you've been  
drinking  
I know that nigga's on your line  
But he can't get what's mine, yeah

Baby you need to show me what the hell I did wrong  
I need you to hold me, right here in your arms  
I'm kissing your heart and all your little body parts  
Baby, baby

[Hook]

[Verse 3 - Kevin McCall]

K Mac

See it's a reason why she still with me  
And she ain't with you  
She see the real in me, and the bitch in you  
Yeah, she friends with you, but she sexing me  
When she be textin you, she be next to me  
Showin me how weak you is, it's embarrassing  
I'm a real nigga so I guess you are a mannequin  
Bad on the phone but in person you be panicking  
I ain't even stressed, got a bag full of cannabis  
I ain't with the bull so this ain't beef  
You a weenie I bet you be lying on your meat  
If real recognize real, who the fuck is you  
She need a principal, not a substitute

[Kevin McCall & Chris Brown]

He's just saying you could do better (no, he can't)  
Girl stop playing he could never  
Be the one you need cus you're the one for me girl  
I know how to please you right  
He's just saying you could do better  
Girl stop playing you know he could never  
Be the one you need cus you're the one for me, yeah  
But I'm a real nigga
