O-o-o-o-okay

[Hook:]

Lamborghini mercy

Your chick, she so thirsty

I'm in that 2 seat Lambo with yo bitch, she tryna jerk
me, okay

(X4)

[Chris Brown:]

I'm in the lamborghini with two models

21 bottles, a murcielago

A nigga gone when I hit the throttle

The she gave me the crazy head

The nigga swerved then, hit a pothole

I'm ridin' in that big boy, 500 k in my out, 'kay

I've got a whole lot of girls in dubai

I've got a bush beach in the outback

Got adidas, throw my feet up, check my snicker

Get a hundred thousand for the feature

I'm ballin' while you niggas talkin' shit

And y'all bitch ass niggas in the bleachers

This fushock, two shots would take my feet up

It's too many niggas in my clicks, we all got hits

You niggas gettin' beat up

Believe us, always be up in this place

Got them loubruitton's out, kick a nigga in his face

I'm a real vaginga nigga in the lay got v.a place

You see I'm sexy, I'm just flexy, wayne gretzky

Escape life
