verse1:

girl let me this drive by  
make sure that angles right  
dont know u know ur lines  
so this make just take all night  
baby get up on the bed  
i 'll do i the things u like  
everything that i want to do to u  
girl ur wardrobe the suit the u wear on ur birthday  
baby girl i want u want u in the worse way  
now i'm gone to film i want to since the first day  
now i got a chance to baby i got plans for u

Hook:

me and u take one( cut cut)  
me and u take two ( cut cut)  
me and u take three same scene and us between the  
shits  
me u take four to bed all way to the floor  
baby u so good i think u deserve an award  
by the way u put that thing on me girl is a dream  
and i know all things u do  
so baby we can make a film watch it over and over  
again  
and i play the lead for u

Chorus

We'll make a movie, you'll play the starring role and I'll  
direct you on where to go  
We'll make a movie, up & down and roun' & roun' baby  
just you follow I'll show you what to do  
We'll make a movie (movie) x2  
We'll make a movie, I'll let you do me

Verse 2:

Baby let's do role play, I can be anything you like  
Use your imagination, I'll do, just close your eyes

Puedo ser tu corazon y talvez tu profesor  
I can be your doctor, cause that'll make it better

Hook:

me and u take one( cut cut)  
me and u take two ( cut cut)  
me and u take three same scene and us between the  
shits  
me u take four to bed all way to the floor  
baby u so good i think u deserve an award  
by the way u put that thing on me girl is a dream  
and i know all things u do  
so baby we can make a film watch it over and over  
again  
and i play the lead for u

Chorus

We'll make a movie, you'll play the starring role and I'll  
direct you on where to go  
We'll make a movie, up & down and roun' & roun' baby  
just you follow I'll show you what to do  
We'll make a movie (movie) x2  
We'll make a movie, I'll let you do me

Bridge:

Girl the best love scene in the movie ( movie)  
goes out to u Ooohh  
girl u the best realy and truly with the thing that u do  
oh oh

Chorus

We'll make a movie, you'll play the starring role and I'll  
direct you on where to go  
We'll make a movie, up & down and roun' & roun' baby  
just you follow I'll show you what to do  
We'll make a movie (movie) x2  
We'll make a movie, I'll let you do me
