She says she wanna go around the world  
She says she wanna be my baby girl  
She says she wanna see what it feels like  
To be Ms. Breezy  
Shopping spree  
You can have anything  
And i'ma let her see what it feels like  
To be Ms. Breezy

She love me  
Cos i'm so good to her  
Yeah she love me  
Spend it all up on her  
She really love me yeahhh  
She can get anything that she wants  
I know she only used to have it regular  
Coming in and outta lala on the regular  
She ain't never had the type of shit i'm giving her  
Shoes are first Louis purse  
Hair down never splurge  
And now i'm blowing her mind, her mind  
?  
I know she wanna be mine  
Wave to the haters like nanananana

She says she wanna go around the world  
She says she wanna be my baby girl  
She says she wanna see what it feels like  
To be Ms. Breezy  
Shopping spree

You can have anything  
And i'ma let her see what it feels like  
To be Ms. Breezy

I know she ain't used to girls staring at her  
Pointing at her man cos i'm tricken' on her yeah  
And I heard it ain't tricken' if you got it  
And I got a lot ? so I blow it on her yeah  
I know that she love me  
And i'm gon' still buy gifts til she won't turn none of  
them down

But she don't want nothing from me  
And she gon' change her last name  
She can't wait to be Mrs. Brown  
And now i'm blowing her mind, her mind  
?  
I know she wanna be mine  
Wave to the haters like nanananana

She says she wanna go around the world  
She says she wanna be my baby girl  
She says she wanna see what it feels like  
To be Ms. Breezy  
Shopping spree  
You can have anything  
And i'ma let her see what it feels like  
To be Ms. Breezy
