[Drake]

Listen girl you so bad, and you single
What's this I hear
We ain't met yet, my name Drake
And imma take the world over this my year.
This I swear had my share of women that I been with
Im young can you blame me?
I know you feel like alot things off limits
At least let me describe what it can be.
Be faithful, I'll do that .
Naww really baby girl I'll do it
Cause everybody break up when they cake up.
We can be the couple that never go through that.
Yea, and if we ever fallin off I swear I'll remind you that
were not who they are.
Now all I really gotta do is find you.
Where you at?

[Chris Brown]

Verse:

From the east to the west...
Scream for me if you're my number one lady.
Take a lead...from the rest.
You can go fast.
Speed it up for me baby.
I'm a G...what's next???
One night with me will drive you crazy...
One night with me will drive you crazy...

Chorus:

Start us off...you ready???
Kick em off and get steady.
You know that it's about to get heavy.
Cuz she's a rider...

A rider...

My Yamaha Mama... (Aye, aye she my..)
My Yamaha Mama... (Aye, aye be my..)
My Yamaha Mama... (Aye, aye she my..)
My Yamaha Mama... (Aye, aye be my..)

[Drake]

Tell me how I locate you, I know satellites are a break
through.
But they don't ever lead me straight to, And I gotta
arrive before somebody take you.

No that's someone you don't mean to lie to, and he
would hate to know that I got you.
I even got a speech that I write in my sight in the
moment I spot you.
"Hey there, Your name is...
I Like that, it suit ya...
Im young but i'm different...
I'm not what your used to...
At all if we stop at the same red light imma celebrate
the fact that i found you girl.
And imma ride for you to as soon as it turn green.
You wanna here from my ladies all around the world
Where you at?
