Verse:

From the east to the west...
Scream for me if you're my number one lady.
Take a lead...from the rest.
You can go fast.
Spit it out for me baby.
I'm a G...what's next???
One night with me will drive you crazy...
One night with me will drive you crazy...

Chrous:

Imma start us off...you ready???

Kick em off and get steady.
You know that it's about to get heavy.
Cuz she's a rider...
A rider...
My Yamaha Mama...
My Yamaha Mama...
My Yamaha Mama...
My Yamaha Mama...
