All of my girls in here just like this  
Hatin' ass chicks they don't want none  
Most of them probably wanna be like me  
Ima show 'em what I'm made of  
I know you want a nasty girl  
You like a fly and flashy girl  
Your boyfriend ain't gone pass me up  
Cause I'm a nasty girl  
I'm a nasty girl  
I know just what he wants  
He wants me to give it up  
And I ain't gonna front  
Cause I'm a nasty girl but I'm a classy girl

### VERSE 1

Pussy cat pussy cat  
Dolls on tha floor  
I can holla at tha bar anytime I wanna go  
Anytime you want some  
I can you 3 and 4  
Have my body sweatin and drippin and dancin up on a  
pole  
This is the freak show  
Get ready to lock and load  
Heavy drinkin, poppin and trippin on me  
Now here he go  
Thinking that I won't  
Hit em and quit em and go  
I'm a nasty girl  
I'm a nasty girl  
You can't even front on me  
I'm too naughty  
I got just what cha need  
I can be your shawty  
If you play it right and do things I like  
Brother you could get this nasty girl
