3 in the morning  
You know I'm horny  
So why don't you come over my place?  
Put a smile on my face

Leavin' the club  
Shawty hurry up  
So we can get this party started  
And take off our clothes now

You already know what time it is  
Reach up in the dresser where them condoms is  
And baby, when I get it, I'll never let it go  
Gonna take it slow

We ain't gon' stop till 9 a.m.  
If you can't take it all, baby, say when  
Make you come over and over again  
And I'ma leave it in

When we do it all night  
We can do it all night  
Girl, I'ma give it to you all night  
So right, girl

Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
So right, girl

Now there's one or two things that can happen at this  
time of the hour  
So baby, after we get out of the shower  
You can race me to the bed  
Turn off all the lights and light some candles instead

Oh yeah, I can hear your body calling, baby  
Oh yeah, we gon' get freaky, you know  
Darlin', you know what time it is, get it in

I'mma do it all

We ain't gon' stop 'til 9 a.m.  
If you can't take it all, baby, say when  
Make you come over and over again  
And I'ma leave it in

When we do it all night  
We can do it all night  
Girl, I'ma give it to you all night  
So right, girl

Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
So right, girl

We can do it all, all night, girl  
We can do it all, all night, girl  
We can do it all, all night, girl  
We can do it all, all night, baby, all night, yeah

All night  
We can do it all night  
Girl, I'mma give it to you all night  
So right, girl

Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
Don't you be on that bullshit  
(All night)  
So right, girl

Don't you be on that bullshit  
Don't you be on that bullshit  
Don't you be on that bullshit

When you leavin' the club  
I just want you to come over, girl
