Three in the morning you know im horny...
So why don't you come ova my place and put a smile
on my face
If we leavin this club shawty hurry up
So we can get this party started and take off our close
now

You already know what time it is
Reach up in that dresser
Where them condoms is
Baby when I get it ill never let go
Lets go on and take it slow

We aint gone stop til 9 am
If you cant take it all baby say when
Make you cum over and over again
And imma leave it in

(when we do it) all night
(we can do it) all night
(girl imma give it to ya) all night
Its alright girl, don't you be on that bull shit
(yeah,yeah)
Don't you be on that bull shit (yeah,yeah)
Don't you be on that bullshit (yeah,yeah)
Its all right girl (all right girl)
Now, there are one of two things that can happen at
this time of the hour
So baby after we get out the shower
You can race me to the bed
Turn off all the lights and lights some candles instead
Ooh yeah I can hear ya body calling baby

We aint gone stop til 9 am
If you cant take it all baby say when
Make you cum over and over again
And imma leave it in

(when we do it) all night

(girl imma give it to ya) all night
Its alright girl, don't you be on that bull shit (yeah
,yeah)
Don't you be on that bull shit (yeah ,yeah)
Don't you be on that bullshit (yeah, yeah)
