3 in the morning
You know I'm horny
So why don't you come over my place?
Put a smile on my face

Leavin' the club
Shawty hurry up
So we can get this party started
And take off our clothes now

You already know what time it is
Reach up in the dresser where them condoms is
And baby, when I get it, I'll never let it go
Gonna take it slow

We ain't gon' stop till 9 a.m.
If you can't take it all, baby, say when
Make you come over and over again
And I'ma leave it in

When we do it all night
We can do it all night
Girl, I'ma give it to you all night
So right, girl

Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
So right, girl

Now there's one or two things that can happen at this
time of the hour
So baby, after we get out of the shower
You can race me to the bed
Turn off all the lights and light some candles instead

Oh yeah, I can hear your body calling, baby
Oh yeah, we gon' get freaky, you know
Darlin', you know what time it is, get it in

I'mma do it all

We ain't gon' stop 'til 9 a.m.
If you can't take it all, baby, say when
Make you come over and over again
And I'ma leave it in

When we do it all night
We can do it all night
Girl, I'ma give it to you all night
So right, girl

Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
So right, girl

We can do it all, all night, girl
We can do it all, all night, girl
We can do it all, all night, girl
We can do it all, all night, baby, all night, yeah

All night
We can do it all night
Girl, I'mma give it to you all night
So right, girl

Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
Don't you be on that bullshit
(All night)
So right, girl

Don't you be on that bullshit
Don't you be on that bullshit
Don't you be on that bullshit

When you leavin' the club
I just want you to come over, girl
