Yea right there, right there Uh huh
Oooo?

Come on
Check It

Why You calling me a playa
Why you call me little shorty mack
Should be calling me your romeo
'cause I'm looking for my Juliette
You say I want my cake and eat it to
I'm digging every chick up in this school
From time and time I tell you
I got nothing but love 4 u

(Chorus)
I got nothing but love for you baby
Got nothing but love for you baby
Cross my heart girl I wouldn't lead you on
Nothing but love
Nothing but love

I've got nothing but love for you baby
Just believe these words that I'm saying
Got nothing but love for you baby
Nothing but love
Nothing but love

I cant help
That half of these chicks in school be digging me
Its just who I am
Girl you need to know
(oh girl you should know)
But I can tell
That I want you here right next to me
So you be raising hell

Time and time again I say

Chorus

I got nothing but love for you baby

Got nothing but love for you baby
Cross my heart girl I wouldn't lead you on
Nothing but love
Nothing but love

I've got nothing but love for you baby
Just believe these words that I'm saying
Got nothing but love for you baby
Nothing but love
Nothing but love

{Wait, Wait hold up}

Bridge

Pause

Just for a minute

'cause

I need a minute

To let you know whats really real (real)

(You know it)

Hold up

I need a second

Baby wait

I gotta finish

You think you know what I feel

Time and time again I say

Chorus x2

I got nothing but love for you baby
Got nothing but love for you baby
Cross my heart girl I wouldn't lead you on
Nothing but love
Nothing but love

I've got nothing but love for you baby
Just believe these words that I'm saying
Got nothing but love for you baby
Nothing but love
Nothing but love

(I got it)

Music fades out
