I Wanna Wake Up Baby
And See You Sharing My Bed
You're All That's Mine
Girl Ima Cook You Breakfast...Yeah
I Gotta Say That You Got My Heart
And You're my Answer When I Wish Upon A Star
I Don't Need Nobody Else But You..Oooh

Ima Gonna Let You Play Baby
Music In The Cloud
Shawty You're My Favorite Song
You're My Baby
Kissing on your Neck
And Not Even ????
Nobody Say Yes And
You Know That I Want It...Girl
So Please Let Me Give It A Whirl
When It's All Said And Done
Ima Make You Number One

(Number one)
One
(Number one)
One
(Number one)
One
Ima Make You Number One X3

When It's All Said And Done
Ima Make You Number One

Lady, Come Here Girl
I Don't Wanna Share This With Nobody
You're Amazing Cause We Picture
And Ain't Nobody Got Your Sexy Body
And There's Some Things You Do
That Make Me Stay With You
Ain't No Other Way To Say It
Girl I Just Love You

Ima Gonna Let You Play Baby
Music In The Cloud

Shawty You're My Favorite Song
You're My Baby
Kissing on your Neck
And Not Even ????
Nobody Say Yes And
You Know That I Want It...Girl
So Please Let Me Give It A Whirl
When Its All Said And Done
Ima Make You Number One

One More Chance To Make You Believe Im The One
Shes a Bender Like?
You're The Perfect Plan To Get Hurt
