I'm a bad man but I'm a sucker for love like I'm addict
Girl, I really love the way you're looking at me
So I'ma show you the meaning of what a man is
I'm nasty

Car go zoom, zoom
And then the speakers in the trunk go boom, boom
I can give it to you fast or slow
Girl, I'm a gentleman, I'll open your door
Get the party started like

Wah, wah, spinning a lot tonight
Hoping you stay tonight, ending the party right
Wah, wah, take everything off your mind
We can just take our time, whatever you want

I, I, got a lot of money
But that don't mean shit 'cause I need you, honey
Baby, I gotta have you, girl

Lemme get it, when I get it, if I get it I'ma kill it
Baby, when you get it we be rolling on the floor like
Baby, you so gifted when you kissing on my lips
Then when we switchin' the position
You ain't ever gotta slow down

I can be the, be the lover of ya life
I just wanna be under the covers for the night
Back, back, back up, take a look around
Put your hands in the air like the ceiling's falling down

Take a chance with me
Girl, you know that I won't do you no harm
Oh, my love, you got my heart, heart, heart

Yeah, you know we're meant to be, yeah
All this magic, we should wish on a star
Oh, my love, you got my heart, heart, heart

I'm a bad man, what I am, what I am
What I am, what I am, baby, say that
I'm a bad man and I can't, and I can't

And I can't just 'cause I'm a, I'm a, I'm a, I'm a bad man
I'm a bad man, I'm a bad man

Wah, wah, spinning a lot tonight
Hoping you stay tonight, ending the party right
Wah, wah, take everything off your mind
We can just take our time, whatever you want

I, I, got a lot of money
But that don't mean shit 'cause I need you, honey
Baby, I gotta have you, girl

Lemme get it, when I get it, if I get it I'ma kill it
Baby, when you get it we be rolling on the floor like
Baby, you so gifted when you kissing on my lips

Oh, my love, you got my heart, heart, heart

Yeah, you know we're meant to be, yeah
All this magic, we should wish on a star
Oh, my love, you got my heart, heart, heart

I feel like holdin' you, holdin' you
And I'ma do some things you never seen before, girl
'Cause I feel like lovin' you, lovin' you
I'm all you need, girl

So give it all to me, give it, give it all to me
Give it, give it, give it all to me, yeah
So give it all to me, give it, give it all to me
Give it, give it, give it 'cause I'm a bad man

Lemme get it, when I get it, if I get it I'ma kill it
Baby, when you get it we be rolling on the floor like
Baby, you so gifted when you kissing on my lips
Then when we switchin' the position

Oh, my love, you got my heart, heart, heart
