I shoulda been a better man  
Instead of wasting time spending my life searching for  
the finer things  
Woaaah, you always gave me another chance to make  
it right  
But I didn't deserve, cause I didn't understand

And I feel so bad  
Cause you wouldn't do the same with me  
But I know what you weakness is, is, is  
And you feel so mad  
And now you're on an open road so gone not looking  
back, back, back

I thought I had you on a leash  
Like I could do whatever I wanted to when I wanted to  
And you was gonna wait for me baby  
Nooo, and now the table has turned enough  
Feel like you're the master and I'm on the striinsidengs  
You're in control of me

And I feel so bad  
Now you're doing it to me cause you know what my  
weakness is, is, is  
And you feel so mad  
And now I'm on an open road tryna go but I'm looking  
back, back, back

I'm looking for her  
I'm tryna find her  
I really need her

I think I love her

I'm looking for her  
I'm tryna find her  
I really need her  
I think I love her

You can blame it all on me  
I know inside it's because of me  
Now I'm just like a hitchhiker waiting for a ride

With no cars in sight

And it feels so bad

Cause you wouldn't do the same to me

Cause I know what your weakness is, is, is

And I feel so mad

Now you're on an open road, long gone I can't have you  
back, back, back

I'm looking for her

I'm tryna find her

I really need her

I think I love her

I wanna see her

I don't ever wanna leave her

I wanna keep ya

I think I love her
