Uh oh, uh oh, uh oh, uh oh
You might've seen her on every cover
Of every magazine
But can't nobody get her but me

Uh oh, there she go
Uh oh, there she go
Uh oh, there she go
Can't nobody get her but me

Hot, damn, let me tell you, man
She look so good, I'ma say it again
So good that I can't explain
When she do what she do she gon' do her thang

Over here, Miss Lane
Come on, get fly with a Superman
You ain't gotta worry, I won't play no games
Baby, tonight

So don't front
You know you wanna stay
It's all fun
So baby, come and play

It's picture perfect the way you work it, girl
What's your purpose? 'Cause I deserve it, girl
Before we get into somethin' crazy
All ya'll fellows back up off my lady

Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that, got that

It's the way she wears her clothes
The beauty of a low
The definition of a star
Wanna meet her?

You might've seen her on every cover
Of every magazine

But can't nobody get her but me

Uh oh, there she go
Uh oh, there she go
Uh oh, there she go
Can't nobody get her but me

Damn girl, set my flame ablaze
Top model chick from my favorite page
At the same time from around the way
When she break it down she gon' do her thang

After the beat drop
You can hear the bass from the parkin' lot
You ain't gotta worry, you won't tell me stop
Baby, tonight

So don't front
You know you wanna stay
It's all fun
So baby, come and play

It's picture perfect the way you work it, girl
What's your purpose? 'Cause I deserve it, girl
Before we get into somethin' crazy
All y'all fellows back up off my lady

Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that, got that

It's the way she wears her clothes
The beauty of a low
The definition of a star
Wanna meet her?

You might've seen her on every cover
Of every magazine
But can't nobody get her but me

Uh oh, there she go
Uh oh, there she go
Uh oh, there she go
Can't nobody get her but me

Hot damn, I got the hottest chick
She gotta be a goddess, her body's sick
3D booty like holy
She holdin' them Angela Jolie lips

Wit the tig ol' bits
Willy get whipped when she wiggle it
She jiggle it, my stick gets stiff
Make a brother think she a hypnotist

'Cause she hypnotize
Brothers gon' trip when she arrives
Lookin' like she fell out the sky
Heaven's missin' an angel, guys gon' cry

'Cause she chillin' with me
I am Willy in love with Double D cups
And she's that honey
Just need one, I don't need many

She loves me, never money or pennies
Look if you want, brother, you ain't gettin' any
That's mine, yep, yep, that's right, sonny
Get you one 'cause that's my honey

Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that, got that

It's the way she wears her clothes
The beauty of a low
The definition of a star

Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that one
Get you one 'cause I got that
Got that, got that, got that, got that
Got that, got that, got that, got that
