# "Please Don't Judge Me"

Intro:
I dont wanna go there.
We should never go there.
(Damn)
Why you wanna go there.
I guess i gotta go there.

Your hearing rumors about me
And you cant stomach the thought
Of someone touchin my body
When your so close to my heart
I wont deny what their sayin'
Because most of it is true
But it was all before i fell for you
So please babe.

So please dont judge me
And i wont judge you
Cause it could get ugly
Before it gets beautiful
Please dont judge me
And i wont judge you
And if you love me
Then let it be beautiful...

Let it be beautiful, oh oh
Let it be beautiful.
Let it be beautiful, oh ohh
Let it be beautiful.

Everything i say right now
Is gunna be used in another fight
I been through this so many times
Can we change the subject?
You gunna start askin me questions like
"Was she attractive? was she an actress?
Baby the fact is ... "
Your hearing rumors about me
And saw some pictures online
Sayin they got you so angry
Making you wish you were blind

Before we start talkin crazy
Sayin some things we'll regret
Can we just slow it down
Brace yourself. your beautiful
(So baby.)

So please dont judge me
And i wont judge you
Cause it could get ugly
Before it gets beautiful
Please dont judge me
And i wont judge you
And if you love me
Then let it be beautiful...

Just let the past, just be the past
And focus on things thats gunna make us last, take me
as who i am, not who
I was, i promise ill be. the one that you can trust.

So please dont judge me
And i wont judge you
Cause it could get ugly
Before it gets beautiful
Please dont judge me
And i wont judge you
And if you love me
Then let it be beautiful...

Let it be beautiful, oh oh
Let it be beautiful.
Let it be beautiful, oh ohh
Let it be beautiful.

Yeaah yeah yeaah.

I dont wanna go there, baby
We should never go there.
