Just like that just like this
Whatever it is shawty you got it
Like a game of tag shawty you got it
And shawty got ass that you can't miss she do shit
Lighter's up but just put up ya cell phones
Dark skinned girls turn me on so do red bones
Racing to the V.I.P. looking like a marathon
Too many bottles left over get some and carry home
And I'mma turn it up and all the n**gas smoking
tell'em burn it up
She got me pinned against the wall
She about to make up stand up
I'mma put my muthafuckin' hands up

tonight
Put (put put) your hands in the air all my ladies, ladies,

Just like that
Just like that (at at at)
Just like that
All my ladies (all all)
