To all my ladies think it's about time
There's just one thing that's on my mind
Your body, your body
To all my ladies lookin' so fine
There's just one thing that's on my mind
Your body, your body
I want you girl
Fresh I am (yes)
Yes I am (yes)
Skinny jeans on (oh)
I wear them (yes)
I'm such a little kid get my high chair then (HA)
But look at my watch and what's under my chin (yep)
So icy your girl like me
True blood but I told her don't bite me
Forget the club let me see what you liking
She said she wants to just do it like Nike (check)
Ok let me put it down
Turn into a freak when nobody's around
When you under the sheets I know what's going down
(down, down, down)
She'll won't to leave me though she keep coming back
It must be the Louie bag and then hundred stacks
Or I make her cum fast
Like she running track Magnum, jimmy hat
To all my ladies think it's about time
There's just one thing that's on my mind
Your body, your body
To all my ladies lookin' so fine
There's just one thing that's on my mind
Your body, your body
I want you girl
B-R-E-E-Z-Y one of a guy
I'm fly, higher than high, Dubai I go
Private jets nevertheless I travel the globe
I'm ready to go but first let me call my PO, (HA)
Baby take my handin and we can do anything except
landin
Love it when you give it to me speak it in spanish
This week black girl next week a hispanic
Can't forget the white girls dats right girls
Yea the white girls hollywood price right bright light

And them hood hella drunk all night girls
That's what I like, yea
Oh you like cars, I got hot wheels (true)
Haters mad (huh) how them cops feel
So let me cop a feel
Right there and we can disappear
David Copperfield
To all my ladies think it's about time
There's just one thing that's on my mind
Your body, your body
To all my ladies lookin' so fine
There's just one thing that's on my mind
Your body, your body
I want you girl
