[Chris Brown]

Look, in the summer 6-0
A little margarita blend
so I slip slow
The type of nigga I am kind of skitzo
Never out of my element I let the fifth go
Shots in the club panic at the disco
She of that M D M A that's from frisco
Hella chips call me mister Nabisco
Is that your bitch cause she
won't let my go wrist go
My techniques is just sex freaks
Skinny dipp with hot model bitches and lesbians
Imma put my tongue on they soul like a SB
But they don't know they scum to my soul they're just
sexy
Imma play dumb play that role in the
SV is ridiculous
And can I get a girl with real ass and TITS
Most Respect in the world to my
real niggas Cause, all them fake niggas make me
wanna kill niggas, I stand alone fuck that gang bang
shit!
they Nintendo blowing niggas
Cause this game ain't shit
Is relevant that I am better than these 'veterans'
They are sleeping on me like I been
given them sedatives
Sometimes I wish I had better
friends and better peers

Cause I know when it to the ends they disappear...

[Kevin McCall]

Damn! Where they go? Where they go? Where they go?

Uhhh-See I'm dooper than that shit
Pookie was on in new jack city
This is why I'm getting rich
without trying
I ain't like fifty
cus whats good being rich if your dying

that shit is silly!
Call the the chain TLC all the ice make you chilly
I'm a pimp so you know I'm snatching your broad
I'm a real star your patrick from spongebob
and in my city to the streets I'm Freeway Ricky
cus i keep the streets flooded with that crack music
I be selling cd's like them niggas push kilos
but I don't push weight unless there's plates
in the weight room
Why you think I'm BUF? Blowin Up Fast
Call me left hook cause I be heavy on the gas
You would think I was a Spartan, 300 on the dash
Either that or a martian in a space aircraft
Cus when you see that whip that I have, you be like
"What the fuck was that?!"
