Look we gotta talk
Dang I know
I know it's just
It's just...
Some things I gotta get of my chest alright...
Yeahhhh...
Whoa, whoa, whoa, oh, whoa, whoa, whoa, whoa, oh,
whoa...
Listen..

Baby come here and sit down, let's talk
I got a lot to say so I guess I'll start by
Saying that I love you,
But you know, this thing ain't been
No walk in the park for us
I swear it'll only take a minute
You'll understand when I finish, yeah
And I don't wanna see you cry
But I don't wanna be the one to tell you a lie so

[Hook]

How do you let it go? When you,
You just don't know? What's on,
The other side of the door
When you're walking out, talk about it
Everything I tried to remember to say
Just went out my head
So I'ma do the best I can to get you to understand
'cause I know

[Chorus]

There's never a right time to say goodbye
But I gotta make the first move
'Cause if I don't you gonna start hating me
Cause I really don't feel the way I once felt about you
Girl it's not you, it's me
I kinda gotta figure out what I need (oh)
There's never a right time to say goodbye
But we know that we gotta go
Our separate ways
And I know it's hard but I gotta do it,
And it's killing me

Cause there's never a right time
Right time to say goodbye

Girl I know your heart is breaking
And a thousand times I
Found myself asking, "Why? Why?"
Why am I taking so long to say this?
But trust me, girl I never
Meant to crush your world
And I never
Thought I would see the day we grew apart
And I wanna know

[Hook]

How do you let it go? When you,
You just don't know? What's on,
The other side of the door
When you're walking out, talk about it
Girl I hope you understand
What I'm tryna say.
We just can't go on
Pretending that we get along
Girl how you not gonna see it?

[Chorus]

There's never a right time to say goodbye
But I gotta make the first move
'Cause if I don't you gonna start hating me
Cause I really don't feel the way I once felt about you
Girl it's not you it's me.
I kinda gotta figure out what I need (oh)
There's never a right time to say goodbye
But we know that we gotta go
Our separate ways
And I know it's hard but I gotta do it,
And it's killing me
Cause there's never a right time
Right time to say goodbye

Listen to your heart
Girl you know,
We should be apart, baby I
I just can't do it
I, I just can't do it
Listen to your heart
Girl you know,
We should be apart, baby I
I just can't do it
And sometimes it makes me wanna cry
Oh, oh, oh, oh, oh, oh, oh [4x]
Do you hear me crying?
Oh, oh, oh [4x]

[Chorus]

There's never a right time to say goodbye
But I gotta make the first move
'Cause if I don't you gonna start hating me
Cause I really don't feel the way I once felt about you
Girl it's not you it's me.
I kinda gotta figure out what I need (oh)
There's never a right time to say goodbye
But we know that we gotta go
Our separate ways
And I know it's hard but I gotta do it,
And it's killing me
Cause there's never a right time
Right time to say goodbye

[Chorus]

There's never a right time to say goodbye
But I gotta make the first move
'Cause if I don't you gonna start hating me
Cause I really don't feel the way I once felt about you
Girl it's not you it's me.
I kinda gotta figure out what I need (oh)
There's never a right time to say goodbye
But we know that we gotta go
Our separate ways
And I know it's hard but I gotta do it,
And it's killing me
Cause there's never a right time
Right time to say goodbye
