Verse:

Aye baby

I don't like the way you got me feelin lately, oh

They say baby

I'm feelin like you found someone to replace me

Do you remember you used to say

that you would never walk away

Cause I remember the time and a place

Like it was just yesterday

Baby had me (gone gone gone)

But you won't have me (I'm gone gone gone)

Say no more cause I know what you came for

Just wanna play them games girl

Chorus:

So hard, to be let down (it's so hard baby to be let down
baby)

Tell me you won't do this to me

We've come to far (we've come to far baby)

To give up now (to give up now baby)

Girl that's just the way it should be (Girl)

Say it with me babe

Say it with me(x4)

Verse:

Hey baby

Yea you're crazy

But you aint that crazy about me

Cause you think that you can get whatever you want

So you lie and you try to play me

Say lady, you're cold, you're poison to me

And I know

Do you remember you used to say

that you would never walk away

Cause I remember the time and a place

Like it was just yesterday

Baby had me (gone gone gone)

But you won't have me (I'm gone gone gone)

Say no more cause I know what you came for

Just wanna play them games girl

Chorus:

So hard, to be let down (it's so hard baby to be let down
baby)

Tell me you won't do this to me

We've come to far (we've come to far baby)

To give up now (to give up now baby)

Girl that's just the way it should be (Girl)

Say it with me babe

Say it with me(x4)

Hey baby please to take me love away

Tell the dj keep this party going hooray hooray

Hey baby please to take me love away

Tell the dj keep this party rockin hooray hooray
