I traveled the world now
baby i never seen nobody like you
definition of my fantasy
you're my only dream come true

CHORUS

we gonna rock and roll
nonstop, lets go
one shot, i know
this don't come around a lot
this the only chance i got
girl, hey oh,
thats the sound of my heart beating just like a drum
girl you know you got me strung
yeah, hey oh,
i'm falling in love now (x2)

she's leaving me speechless
i'm trying to figure out the words to say
lets erase the space between us
i know we can find a way

so lets rock and roll
nonstop, lets go
one shot, i know
this don't come around a lot
this the only chance i got
girl, hey oh,
thats the sound of my heart beating just like a drum
girl you know you got me strung
yeah, hey oh,
i'm falling in love now (x2)

Falling in love now (x4)

girl, go build me up
but don't break me down
and every time you come around
my heart makes that sound
see I've been swimming in women
but i'm thinking now

you're the only one i need

we gonna rock and roll
nonstop
