[Feat.: Elmo]

[Chris Brown:]

Elmo come take a walk with me

It's a beautiful day and i think we should go out into the neighborhood and see what we can see

Look this sign says welcome here and bakery here and thank you there

Will you help me on my way and come along with me and

See the signs there everywhere

That's enter here and exit there

(Chris and Elmo)

Let's take it easy as we go Elmo these are the sounds that we all know

[Chorus:]

Stop right there

Dance with me

Closed... Open

Wet paint school

Tell me what signs you see

[Chris Brown:]

Now Elmo come take a walk with me [Elmo:] (ah huh)

So many signs to see

When we go out in the neighborhood could you ever see so many signs

(See the signs)

[Elmo:] (see the signs)

[Chris Brown:]

See the signs there everywhere

(Chris and Elmo)

That's enter here and exit there

Let's take it easy as we go

Elmo these are the signs that we all know

[Chorus:]

Stop right there

Dance with me

Closed... Open

Wet paint school  
Tell me what signs you see

[Ad libs:]

Mail  
Market  
Park and Zoo  
Food  
Laundry

[Chris and Elmo:]  
That was fun now you try it too

[Chorus:]  
Stop right there  
Dance with me  
Closed... Open  
Wet paint school  
Tell me what signs you see

[Ad libs:]

Mail  
Market  
Park and Zoo  
Food  
Laundry

[Chris and Elmo:]  
That was fun now you try it too

[Chorus:]  
Stop right there  
[Elmo:]  
Dance with Chris Brown
